FROM THE PRESIDENT'S DESK . . .

Nobles;

We are now back in full swing for the new year and looking forward to a successful one.

Any organization is only as strong as its membership and each individual's commitment to its success and to its established goals. Having said that, several things loom on the immediate horizon which require your attention.

Christmas cakes have been ordered and will be ready for distribution soon. Let's make a concerted effort to make this one of the best sales years to date. Please contribute to the success of this fundraiser by selling as many as you can.

Sadly one of our best fundraisers, our golf tournament is in some jeopardy. Noble Jim Williams has done a stellar job over the past few years in keeping it going but it is time for someone else to take over the reins. Please consider taking over the chairmanship of this committee to ensure that this important fundraiser does not fall by the wayside.

Finally, our elections are not far off and will be upon us soon. I would encourage each and every one of you to consider putting your name forward for our executive committee. A strong executive will ensure the continued success of our club and our commitment to our kids.

Noble Barry Robb
President.
